# AWARD WINNING BUSINESS SOLUTIONS FROM LILY

## Access to the whole market

Our access to the whole of market includes the big 6 energy suppliers in the UK, bringing you some of the most competitive rates.

## Free, unbiased service

Whether you need to obtain a quick tariff quote or pricing for a large multi-site tender, we never charge for our service, as our energy suppliers pay us, not you.

## Time and cost savings

With a pool of over 20 energy supply partners, we save you money by searching the market for the best tariff for you; saving you time and money.

## Fully managed

We manage the whole process for you, including contacting your suppliers, contract negotiation, bill resolution and more.
